Preemployment Screening Directory

Over the last 20 years the background screening has experience exponential growth and has become a multi-billion dollar industry that is supported by a wide variety of firms including many that conduct business around the globe. The international marketplace has become an important element of the background screening industry and this market has grown to become an important segment of the industry.

PreemploymentDirectory.com is the largest and most comprehensive web based directory of background screening firms designed to make it easy for businesses to be able to quickly find a company to meet their screening needs anywhere in the world.

PreemploymentDirectory.com has more background screening firms listed than ASIS International, Society for Human Resource Management (SHRM) and Workforce.com combined. It is the gold standard for finding a background screening firm.

The Directory consist of several sections to guide businesses quickly to the company that will serve them best:

1. U. S. Domestic Section (firms are listed by their location, State by State)
2. **International Section (firms that conduct background screening internationally)**
3. Vendor Showcase (firms that provide services to the background screening industry presented by categories.

PreemploymentDirectory.com is the first and only online directory to showcase International background screening firms. Our goal is to make it easy for businesses to find background screening firms to conduct international background investigations to meet their business needs.

The International Section is set up for searches by country to make it easy for a business to locate a firm to meet their screening needs. Business can simply click on the country of their choice and the background screening firms that conduct employment screenings and verifications in the identified country will instantly show up.

As an added feature, our Platinum Members that have selected the International Section for their listing have their live linked logo posted at the top of the page in the International Section (see the screen shot at top of the page) and also posted at the top of the page of our information rich **International Resource Center**.

The International Section artfully combines an online directory and the **International Resource Center** which is rapidly becoming a major resource for people who conduct business in the international arena. It is packed with useful information on data protection laws, terrorist search sources, international training resources, information on international holidays, time zones, cities, culture and much more.
