PreemploymentDirectory.com is the undisputed leader in showcasing firms in the background screening industry and our Annual Background Screening Industry Buyers Guide stands alone as the top publication in the industry.

The 2013 Annual Background Screening Industry Buyers Guide is the premier publication to provide Hiring Managers, Human Resources, Talent Acquisition Managers and Security professionals a 'one stop' source to quickly and easily find a background screening firm. Managers and staff involved with hiring will find the Buyers Guide to be a very user friendly tool for finding a background screening firm to meet their needs.

The 2013 Buyers Guide will exclusively include the [Platinum Members](#) of **PreemploymentDirectory.com**. It will also include insightful articles written for professionals involved in the hiring process which will make it an indispensable resource that will be used throughout the year.

The Buyers Guide is another innovative way to market your firm to businesses and organizations that are looking for firms like yours. This is another solution in our toolkit that helps connect you to businesses to create additional selling opportunities for your products and services.

DISTRIBUTION OF THE GUIDE
