[wbpeacock@lighthouseinfoserv.com](mailto:wbpeacock@lighthouseinfoserv.com)  
[www.lighthouseinfoserv.com](http://www.lighthouseinfoserv.com)

For nearly a decade, Lighthouse Information Services has set the standard on conducting criminal and civil history searches throughout the South. Using our team of in-house and independent information retrievers, we can personally inspect records in every county, state and federal courthouse in Georgia.

Additionally, we now have partnerships with research providers in other jurisdictions throughout the country. To insure that our clients are receiving the most reliable, accurate and up to date information, we go directly to the source and do not rely on Internet database services. With us, you can feel confident that you are getting the best possible information.

First Advantage ADR offers more than driving records for 50 states, D.C., Canadian provinces and the US territories -- we have products that will help you grow your business! State fees are rising -- ask about our reduced fee MVRS that are below state cost. Also ask about our Driver Management System (DMS) that can help your clients to monitor, score and report on driver risk. Co-brand the DMS and offer the services to manage your clients' fleets—you'll gain additional marketing exposure and a reoccurring revenue stream. Our systems are integrated with all major platforms that support the pre-employment industry. We have the right products at the right price.

## 2010 Background Screening (CRAs) Firms Marketing Portfolio

## Background Screening Directory [www.PreemploymentDirectory.com](http://www.PreemploymentDirectory.com)

PreemploymentDirectory.com is the largest and most comprehensive web based directory of background screening firms designed to make it easy for businesses to be able to quickly find a company to meet their screening needs. PreemploymentDirectory.com has more background screening firms listed than the ASIS International Buyers Guide, Society for Human Resource Management's (SHRM) Vendor Directory and Workforce.com combined. It is the gold standard for employers to find a background screening firm.

**"WE CONNECT BACKGROUND SCREENING  
FIRMS TO BUSINESS"**

## Private Label Ezine Newsletter Service

We can help you have a high quality custom online newsletter to help nurture your relationship with your clients, generate more sales and attract new clients. Use your staff's time to do more valuable work and save all the hassle of researching or writing articles, formatting and managing all the other ezine tasks with our customized ezine process. We make it simple for you by creating a complete online newsletter for you that includes creating a unique header that matches your company colors, incorporates your logo and supports your brand, suggest names for your webzine and a template format for your webzine.

## Comprehensive Guide For Selecting a Background Screening Firm Second Edition coming in 2010

Due to popular demand we will be publishing a second edition of our highly acclaimed GUIDE and distributing it widely throughout the HR Community. Contact us for advertising opportunities to get your message in front of HR Managers and Talent Acquisition professionals.

## eDirect Campaigns

An eDirect Campaign will put your company's advertising message directly on the desk top of more than 1,600 firms in the background screening industry. We will distribute your eDirect mail Campaign directly to firms in your target market. Each eDirect Campaign will only include one advertisement which means you will have an exclusive audience with our readership. No competing ads or messages.

## New! Coming in 2010

## Background Screening Firms' Directory - Platinum Members Only -

This Directory will be widely distributed in the HR Community to enhance your marketing opportunities.

# “Get Buzz’d”

## The Background Buzz

“The News Source for Professional Background Screeners”

“Six years ago, we started work building a new company and a new screening application. Three years ago, we were ready to open the doors for business -- but no one knew who we were. Our advertising campaign included magazine spreads, industry newspapers, journals, and the Background Buzz. We received as much recognition from our advertising in the Buzz as from all other sources combined. Thank you Barry Nixon!”
