

Do You Want To Know What HR Managers Want From Background Screening Providers?

HR Managers are struggling to find ways to reduce costs and might have their eyes are on background screening. Now is the time for you to know what is on their mind so you can keep your business thriving by staying one step ahead.

PreemploymentDirectory.com will be conducting a survey of 5,000 HR Managers to find out what is on their minds regarding background screening in these turbulent times.

With the results from the survey you will be able to shape your future plans to address the real issues that are on HR Managers minds and to fine tune your marketing efforts to achieve maximum results.

The final results of the survey will **ONLY** be shared with the Platinum Members of PreemploymentDirectory.com and will not be shared with the background screening community, in general. (Of course, we will be sharing the results with the HR community.)

Since we are sending the Background Screening Survey to 5,000 HR Managers we are going to give you a special marketing opportunity.

We are offering a very limited number of our Platinum Members an amazing opportunity to advertise their company's products and services to 5,000 HR decision makers.

We will conspicuously display your live logo in the invitation letter, on the survey and will include your logo and 75 word company description in the Final Survey Report that is sent out to the HR community.

Remarkably you will get three views for the price of one from this sensational sponsorship opportunity.

This is an exclusive marketing opportunity for the **first five** of our Platinum Members to take action to promote their business services to 5,000 HR Managers. The fee for this unique advertising opportunity is value priced at \$650.00. (This is significantly less than it will cost you to send a message to 5,000 HR Managers)

Contact me today to participate in this amazing offer because these five slots will go quickly and you don't want to let your competitors get ahead of you in this marketplace. You can reach me at wbnixon@aol.com or directly on 949-770-5264.
