

Take Someone Special To Dinner On ME!

Is your significant other's birthday coming up soon? How about an important anniversary or even better take him or her out 'just because he/she is your special someone!

No we are not getting into dating sites or arranging romantic dinners, but more so have come up with an innovative approach to generate leads for our services in a way that everybody benefits.

Just think of the possibilities if you surprise "that special someone" with a fantastic night out!!!!

Here's how our offer works:

- You refer to us a company that supplies services to the background screening industry e.g., court researcher, software/database provider, applicant tracking firm, credit services, drug testing firms, professional service providers, etc., that contracts with us to advertise in *The Background Buzz* and we will send you a check for \$100.00.
- You refer to us a company in the background screening industry that contracts with us to advertise in **PreemploymentDirectory.com** as a paid sponsor (Gold or Platinum) and we will send you a check for \$50.00. Note this could be a CRA who sells directly to end users or a supplier to background screening firms.
- When you refer a company your referral will be dated and assigned a code number to ensure that the firm that initially refers a firm will get the appropriate credit.

There is no limit to the number of referrals you can make and of course, we hope you make a lot because we want your 'love' life to really be special.

Please contact me with any questions and to make your referrals at wbnixon@preemploymentdirectory.com or 949-770-5264.
